

## **Stanley C. Garnett Child Nutrition Education Endowment Fund**

Dear Colleague,

Do you know about the Stanley C. Garnett Child Nutrition (CN) Education Endowment Fund? Probably not, because this fund has been established as a surprise to honor the lifelong service and dedication of Stanley C. Garnett to the nation's children served by federally funded food assistance programs. The Child Nutrition Program (CNP) State Agency Directors' Regional Representatives worked to establish this endowment and will present this honor to Mr. Garnett in November 2007 at the National State Directors' Meeting in Nashville, Tennessee.

The S. C. Garnett CN Education Endowment Fund was established at the University of Mississippi Foundation, Oxford, Mississippi in October 2007. Dr. Charlotte Oakley, Executive Director of the National Food Service Management Institute (NFSMI) has graciously agreed to administer the selection of recipients and requests for disbursements of registration fees once the \$25,000 has been raised for the endowment fund.

Your help and support is requested for tax-deductible donations to this endowment as a self-perpetuating financial support system to pay registration fees for child nutrition professionals throughout the nation to attend NFSMI training.

Please join us in honoring Stanley C. Garnett for approximately 36 years of service to the nation's children through United States Department of Agriculture (USDA) nutrition programs. To read about Stan's unique contributions to these programs, visit the NFSMI Archives, Oral History Project at [http://www.nfsmi.org/Archives/oral\\_history/garnett.htm](http://www.nfsmi.org/Archives/oral_history/garnett.htm).
